

**IN THE DRAWINGS:**

Applicant respectfully requests entry of the attached drawing replacement sheet (2 of 4). Pursuant to the Examiner's objection and instructions, Applicant has amended Figure 2 to show the cart and charging device as "labeled boxes" (Office Action at 2). Support for these changes is found at page 5, lines 5-8, which Applicant has also amended to refer to Figure 2. Accordingly, Applicant has not added any new matter.

## REMARKS

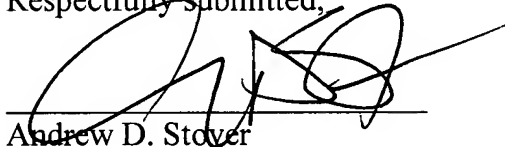

Applicant gratefully acknowledges the Examiner's statement that "the application is in condition for allowance except for the above formal matters" (Office Action at 3). As noted above, Applicant has amended Figure 2 and page 5 of the specification to overcome the Examiner's objections, and in particular to show every feature of the invention specified in the claims. Applicant also corrected a minor spelling error at page 5, line 6. Accordingly, this case is now in condition for allowance, and notice to that effect is earnestly solicited.

If for any reason this application is not considered to be in condition for allowance and an interview would be helpful to resolve any remaining issues, the Examiner is respectfully requested to contact the undersigned attorney at (312) 321-4200.
